Meet The Team

Andrew Jay

Owner & Managing Director

Andrew Jay's love for music started at just 3 years old, when he began playing the Steel Drum. He spent a large part of his youth playing in Steel Bands and participating in competitions. His talent for Music was very quickly realised and he went on to study the Drum Kit, Saxophone, Piano and Voice.

Singing soon became his biggest love and passion.

In 2008, Andrew was awarded a place at the prestigious BRIT School for Performing Arts and Technology. Here, he spent 4 years perfecting his craft and performing in many high profile shows and events.

Andrew's working life began in the hospitality industry where he led a successful career in various mid-level and senior management roles.

However, after many years of dreaming of performing full-time, Andrew Jay Ltd was born!

With Andrew's wide vocal range, smooth tones, charm and charisma, he is able to perform in any setting, to create the perfect atmosphere for your event. Whether you are going for a mellow vibe or an energetic party vibe, Andrew has you covered!

Sarah Muir

Sales & Marketing Administrator

Sarah joined the Andrew Jay team at the end of February 2021.

Sarah is also a performer and went to The BRIT School for Performing Arts & Technology where she studied Dance.

For over 10 years, Sarah has been involved with a local dance school where she studied her Dance Teacher training with the IDTA and was sharing her love for dance and performing with children across the community.

Sarah started her working life at 18 in independent local wedding shops, helping couples with various elements of their planning! She then later moved into Corporate Events Management for one of the UK's largest banks.

She later moved into Personal Assistance, supporting Senior Managers until 2 years ago when she gave up work to become an amazing mummy to Andrew's 2 nieces, Izzy and Amaleigh.

Yes; that's right! Sarah is indeed my big sister (though she is a lot shorter than I am)!

With her wealth of experience in planning and managing events, in addition to having recently got married herself, Sarah is here to support you and take the hard work out of organising your wedding and events entertainment!

DON'T JUST TAKE IT FROM ME...

We booked Andrew Jay for our wedding this year and he was absolutely amazing from start to finish. We really can't recommend Andrew Jay enough. He's professional, very warm and welcoming, has an amazing singing voice and really knows how to get the party started. Friends are already looking at booking him for their celebration next year and can't wait. ★★★★★

Gemma Lowe-Jones, Sept 2021

We had an excellent evening's entertainment, Andrew has a remarkably versatile voice and hits all the notes perfectly. Andrew took into account all of our preferences with the content of his song sets. He was very flexible having already booked the event twice, both of which were cancelled due to Covid19, the final event taking place a year later than the original booking at no additional cost! He provided over and above what we had expected. Thank you very much for helping to make the Birthday & retirement party so enjoyable for everyone. Wishing you continued success in your singing career. ★★★★★

Linda & Graham Croft, Sept 2021

Andrew was an amazing singer. Should have record deals . He's that good. What a voice thankyou again singing at our wedding on 14th August 2021. ★★★★★

Leon & Sarah Whitfield, Aug 2021

Andrew Jay! what an Absolute Legend! He was so good at our Daughters 18th Hawaiian themed birthday party that we asked him to stay another hour! Every one danced their socks off. We didn't want it to end. So professional and great set up. He's good fun, had great interaction with the crowd. Everyone loved it. His crew member, Sarah was so lovely too. Also our Auntie wants to use him for a special birthday next year, so that's says it all! Would use him again in a heartbeat Thank you again Andrew for making our Mads birthday so special. And thank you for her card and bubbles, lovely touch! See you again ★★★★★

Lisa Simpson, Sept 2020

Andrew Jay was hired to perform at our wedding in 2019. He sang a very special song for my Grandad and I in memory of my Nan who sadly passed away in 2012. It was a very special moment and it was sang beautifully. He arrived in plenty of time before the guests arrived & greeted them when they arrive. Andrew Jay was professional but friendly and definitely got the party started!! Our guests loved him!

★★★★★

Sarah Muir, Aug 2019

What can I say? Andrew was amazing from start to finish, the planning, the times, everything and then there is the real action, quick sound check and a freshen up, he walked around the guests meeting and greeting... Then started his first set he got among the audience and got them involved, His voice is brilliant the crowd loved him and after he finished all his sets we had a little sing along together and he finished with a beautiful Adele song ... awesome honestly amazing and I just love this guy couldn't fault him at all. We are looking to book him for a few events this year if you need entertainment this is the one, look no further 5 stars and more .. Much love ★★★★★

Firstly...

Find 3 performers you like and then...

- Watch recordings of their performances
- View their song list! - Does this match your tastes and style of your event?
- Read any reviews
- Give them a call or send an email to start a conversation!

Absolutely incredible. Professional, Fun, Perfect
Organised set list however was extremely amenable to change.

This is a late review but I will 100% use Andrew again. He is a true professional and an incredible entertainer. Everything from Diva to Rap.

Made our entire night and had people dancing on the evening and talking post performance.

Bonnie Cooke

Then...

Talk to your favourites! Ask them questions:

- Are they available on your date?!
- Can the set-list be changed during the performance?
- Do you take song requests? In advance/on the day?
- How much time do they need for set-up and sound check?
- How much space do they need to set-up?
- Do they require access to power?
- Do they have their own equipment?
- Do their prices include Travel, VAT, Equipment Hire, Set-Up etc?
- What happens if you are ill and can't perform on the day?
- What will the performers dress code be?

We booked Andrew Jay for our wedding this year and he was absolutely amazing from start to finish. We really can't recommend Andrew Jay enough. He's professional, very warm and welcoming, has an amazing singing voice and really knows how to get the party started. Friends are already looking at booking him for their celebration next year and can't wait.

Gemma & Matt Jones

Finally...

- Ask your favourites for a quote!
- Get answers to any more questions you have!
- Accept the quote from the performer you like the most.
- Pay the deposit to secure your date!

Let the music play!

From walking down the aisle, your first dance or the last dance of the night, every song at your wedding will have a meaning behind it. I will work with you to put together your bespoke set list, making sure it reflects your day and atmosphere you are looking to create,
